

Oxford Preparatory Hosts First Annual College Signing Day

In an effort to promote our mission of preparing all OPS students for success at a 4 year college or university, Oxford Preparatory School will participate in College Signing Day on May 5th.

College Signing Day is an event hosted every year by former First Lady Michelle Obama, and we are thrilled to take part in a network of over 1,200 events nationwide (in all fifty states!) right here in Oxford. Celebrating our seniors' success means more than a party—it means they know we are proud of their hard work, invested in their futures and excited to see what they do next.

What: Oxford Preparatory School is hosting a College Signing Day to celebrate the senior class of 2017 making the important decision to enroll in college and pursue their dreams. This celebration will continue to create a college-bound culture within our school as well as within the community. We are extremely proud of our senior class for taking this next big step for their future.
