

NORTH CAROLINA ASSOCIATION FOR PUBLIC CHARTER SCHOOLS

PREFERRED PARTNERS NEWSLETTER

NCAPCS has partnered with [Piedmont Business Solutions \(PBS\)](#) to bring you the *Processing with A Purpose*® program (PWP). This unique program allows schools and businesses that process credit cards and/or checks to save money on transaction costs. If your school joins PWP, Cornerstone will **reimburse \$100 of your next Association fee** as well as contribute a portion of its proceeds to the Association.

If your school not only joins PWP but also switches its credit card processing to PBS, it can start its own PWP program in the community. Upon enrollment, we will provide free marketing materials to send to local businesses. When a business switches to PBS under your PWP program, **we will give 20% of their profits from that business to your school monthly** as long as that business is processing under PBS.

If after providing a quote, we cannot reduce your current processing expenses, **we will donate \$500 to your organization!** Visit our [custom website](#) or call Cornerstone (336) 617-5985 to sign up today and take advantage of this free program!

As an NCAPCS member, **your school is eligible to participate in a custom designed discount program** for both [Office Depot](#) in-store and online purchases. Discounts are also available for staff and PTO purchases. In addition, **your school can earn money on retail purchases made by families and friends of your school.** If you are Interested in taking advantage of these benefits access our Association [e-business card](#).

One program that [Leaders Building Leaders](#) aims to provide all NCAPCS member schools is *Navigate*. ***Navigate is the one-stop shop for a public charter school board's needs.*** *Navigate* provides a monthly step-by-step professional development schedule for the entire board through a library of online videos that cover roles and responsibilities, policy development, governance structure, school oversight, development and strategy as well as monthly live teaching call with Q & A opportunities. *Navigate* also provides dozens of board member resources and templates for critical governing board documents. More information will be coming soon as this program is set to launch in October.

As a Preferred Partner with NCAPCS, [Promise Buildings](#) will offer a **5% discount** on all purchases. To receive the discount, one must be a [current Association member](#). Preferred Partner Discount must be mentioned upon first contact. Discount will be applied to each invoice. Promise payment terms apply; late payments void offer. Discount not applicable to building lease programs.

At Educational Environments, our discount structure is generously in line with the discounting structure of the National Cooperative Purchasing Alliance. Discounts vary by manufacturer and total list value. For example, Association school members can get up to **20% off on ergonomic classroom furniture, 30% off on lunchroom booths, and 40% off on tables and chairs!** Please access our Association [e-business card](#) to learn more!
