Professional Development Workshop: Flipping Your Classroom 
Without Flipping Out!

Attendee FAQs

Q: What should we bring with us?
A: Each participant should bring their laptop or tablet. If you are getting CEU credit for this workshop, print the CEU form here, and bring it with you to the workshop. Our Executive Director, Rhonda Dillingham will be present to authorize your form.

Q: I have registered myself, but I now have someone who would like to come with me. What can we do to take advantage of the two-person discount?
A: You may email josh@ncpubliccharters.org to make the addition. Since you are the primary registrant, an invoice will be emailed to you for the difference between what was already paid and the cost of two people.

Q: I have registered for one of the workshops, but I need to cancel! What should I do?
A: If you must cancel your registration, we ask that you first find a colleague who can take your place and email josh@ncpubliccharters.org about the replacement as soon as you can. If you are unable to secure a replacement and still wish to cancel at least 48 hours before the start of the workshop for which you registered, we will refund 50% of your registration within 5 business days from the cancellation date. If you cancel less than 48 hours before the start of the workshop and do not secure a replacement, no refund will be offered.

Q: I am a teacher who originally registered on my own, but now that enough teachers from my school are interested in attending our administrator is willing to register us as a group. What should I do?
A: Please ask your administrator to contact josh@ncpubliccharters.org as soon as your administrator establishes handling registration on your behalf. After your administrator confirms with us that they will now handle your registration, it will be understood that you have relinquished your original status as the point of contact, and we will only communicate with your administrator regarding the workshop from that point forward.
